

March 2010

Associate of the Quarter

Shannon Hill

Press Room

The associate who was nominated for the Associate of the Quarter has been at Tech for 12 years. He works in the Press Room. The reason this person was nominated is because he is a very important part of Tech International. He is a very good worker. His work is recognized even without looking at the tag. His repairs don't have very many fill ins, no loose repairs on the sheets, and are good to work with. This person is nice to work with. He is very safety minded and is always cleaning the floors when needed.

*The March 2010 Associate of the Quarter is Shannon Hill*
